

Product information

Series 901

Conference table, barrel-shaped top with two round U-shaped legs.

Construction with a centrally-positioned tubular-steel cross-member and welded-on brackets.

Tabletop of melamine-resin, veneered or linoleum-covered chipboard with plastic or wooden edges. The corners are rounded.

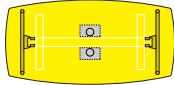

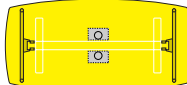

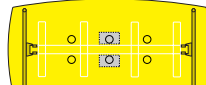

Electrification (optional) is provided 1.) by means of push-on plastic cable clips or 2.) fabric troughs hinged on one or both sides.

Cable outlets (optional) are achieved 1.) through metal outlets or 2.) E-boxes for power and data connections.

Supporting element (refer to table for position) consists of two U-shaped round steel tubular legs of powder-coated steel each with disc foot (stainless-steel cover). Optional with castors.

The following material groups are available: Frame made of steel tube: M2; Top made of chipboard: L6; Top made of linoleum: L8; Top veneered: F1.
