

Product information

Series 901

Freely-shaped table I with post with V-shaped foot, free-standing pedestal.

Construction with a centrally-positioned tubular-steel cross-member with welded-on brackets.

Tabletop of melamine-resin, veneered or linoleum-covered chipboard with plastic or wooden edges. The corners are either square or rounded.

Electrification (optional) is provided 1.) by means of push-on plastic cable clips or 2.) in the side segment by a fabric trough which is hinged on both sides.

Cable outlets (optional) are achieved 1.) through a maximum of 4 metal outlets or 2.) by means of an E-Box for power and data connections, in each case on the left, in the middle and on the right.

Supporting element (refer to table for position) consists of a post with V-shaped foot of powder-coated steel and a docking position for a free-standing pedestal.

The following material groups are available: Frame made of steel tube: M2; Top made of chipboard: L6; Top made of linoleum: L8; Top veneered: F1.
