

PRODUCT INFORMATION Shift-p-BStand_TY_US - 21.10.2024 - www.vsamerica.com

Shift+ Interact Teacher lectern and student table.

Frame consisting of welded, powder-coated, U-shaped steel skids and a centrally positioned leg/post with integrated gas-filled strut. Skids as standard with 4 castors (2 of which are lockable).

Function: On height-adjustable models (01444, 01450) the gas-filled strut is triggered by a hand switch at the edge of the tabletop. The hand switch is fitted with a safety cover to protect against unintentional activation. **Table height** in two fixed heights or continuously height-adjustable with integrated gas-filled strut.

Tabletop made from melamine resin or laminate-coated LIGNOpal chipboard with glued plastic edge or high-strength solid HPL top. All with round corners.

Equipment: All models optionally available with a bookshelf made from metal sheet edged on three sides below the tabletop. Rectangular models (01449, 01450) also available with a modesty screen made of LIGNOpal chipboard.

The following material groups are available: Frame made of steel: M2; Top made of chipboard: L4; HPL-top: L4; Chipboard with laminate: L2,(white writable).
