

Operation Instructions

Personalization set for the eddy toolbag

Intended use: This personalization set has been designed as an accessory for the eddy toolbag. No liability will be assumed for any use other than that intended.

General note on reading and retaining these Instructions:

Before use, read these Instructions carefully and adhere to them. Keep these Instructions in a safe place for future consultation and communicate them to other users.

On the Web: You can find these Instructions on the Web.

Faults and service: If any faults occur, please contact our Customer Service: kundenservice@vs-moebel.de

Maintenance and cleaning: Clean with a soft brush of damp cloth. On the Internet: vs.de/kataloge/reinigung/en

Product transfer: If the product is transferred to another party then it must be accompanied by these Instructions. For information on the environmentally responsible disposal of the product, please contact your relevant local authority department.

Printing the nameplate (Figure 1): The nameplate can be personalized using any standard, commercially available printer. To do this, please use the enclosed pre-perforated sheet. The Microsoft Word template can be downloaded from the Internet via the following link:

http://links.vs-service.com/downloads/70-360_V01_DE_eddy-Namensschild-personalisiert-101630.zip

Fixing the personalized button to the eddy toolbag (Figure 2). Place the printed nameplate (1) and protective film (2) in the plastic ring (3).

Important!

Follow the correct sequence.

Clip the plastic ring (3) with the inserts onto the elastic strap (4).
