Drawing equipment.

Extend the functionality of your black- and whiteboards with our drawing equipment. For the representation of mathematical shapes or the drawing of tables, we offer the possibility to retrofit the drawing devices from this list. For our steel enamel boards (whiteboards), we also offer you the option of purchasing sponges, chalk and matching trays for your board. To ensure durability and consistently high surface quality, we also offer screen cleaners and our Acmosol cleaner for steel enamel and plastic surfaces.
